You can support the Asia Floor Wage Campaign by signing the letter below and send it back to us at: [asiafloorwage@gmail.com](mailto:asiafloorwage@gmail.com).

Dear Asia Floor Wage Steering Committee,

With this letter we express our support of Asia Floor Wage campaign.

We.....(name of organization) endorse this campaign because we believe that garment workers are entitled to the rights of minimum living wage, a wage that is sufficient to fulfill the workers needs of a decent and humanly life.

We believe that the Asia Floor Wage Campaign is an innovative regional initiative for wage increase in a global industry. We also believe that the Asia Floor Wage demand will help strengthen workers' access to right to organize.

We are committed to being involved in the activities below: *(please specify your level of involvement in this campaign; you can choose all or just some of these involvements)*

1. Join the AFW Alliance and endorse the demand for AFW;
2. Integrate the AFW demand into our existing campaigns and charter of demands;
3. Organise in our region an activity for the public launch highlighting the demand and need for an Asia Floor Wage;
4. Join the active membership of the AFW Alliance and plan to be part of the campaign to ultimately win an Asia Floor Wage.

In solidarity,
